Call to Order
Mr. Corbia called the meeting to order at 5:48 p.m. and The Pledge of Allegiance was recited. There was a motion to return from executive session. Mr. Wolff approved the motion and Mr. Russo seconded it, with all in favor (5-0).

President’s Opening Remarks
It took a lot of work from a lot of people to get to where we are today. There have been many concerns regarding the closing of schools. The Board worked very hard before making the difficult decisions during this crisis. Dr. Kliszus thanked the board for all their support. Food service will continue at the elementary schools for all students and distance learning is scheduled to begin on March 18th. As we all know, information keeps changing by the hour. We ask everyone to please stay home and follow the 6-foot distance rule.

There will be no public comment tonight. It was offered to our residents, but we did not receive any emails to the best of our knowledge. We have two board members, Mrs. Onofrio and Mr. Wolff attending remotely from their homes.

Some sad news is Joan Conklin, retired Physical Education Teacher, fondly known as Super Sub, passed away recently. She is the mother of Chris Zidik, recently retired Assistant Principal at the Middle School. We also lost a former graduate, Jesse Burba, who passed away tragically. His parents are high school graduates as well. We extend our sincere condolences to both families.

Former graduate, class of 1996, Ms. Christine O’Connor, is a micro-biologist, who heads the biology lab at Cleveland Clinic and is very involved in the lab and what is going on with the current COVID-19 situation. Her father is Mike O’Connor, who heads our election and her mother is the president of the Library. We thank Christine for all she is doing and are so proud to have one of our graduates doing this work.

Construction Update
Will Recce gave a construction update and project status.
