Welcome to our Meeting

This is a meeting of the Board being held in public. As a courtesy we provide individuals with the opportunity to participate by providing commentary.

Should you have questions or additional comments, please submit them to the Board clerk, Mrs. Maggi, seated to my left. Rest assured that we will read and consider all submissions.

We endeavor to respond to all comments and may use a number of mechanisms including contacting someone individually, commenting later at this meeting, or commenting at a future board meeting. If you have a concern regarding your child, we encourage you to contact your child's teacher and school principal directly and as soon as possible.

Note that responses concerning personnel matters are not made in public. Note also that the Board of Education will conduct business in a manner that models respect and civility. We require members of the public to conduct business before the Board in like manner.

Before you speak, please state your name and state the school district in which you are a resident. All comments are to be addressed only to the Board of Education President. Comments should be kept as brief as possible and relate to school matters. Each speaker is allotted up to three minutes.
