Classroom Essential Agreements

**Our classroom promotes our learning**
- Our classroom shows who we are as learners
- We know our classroom routines and procedures
- Our classroom space supports our learning and working

**We feel empowered in our learning**
- Our families are included in our learning
- We believe that with time and effort, we can get smarter
- We feel safe in our school, and feel positive about our classroom

**We grow as independent learners**
- During lessons, we get involved in the learning
- We challenge ourselves to think deeply and work hard
- We ask questions to be sure we understand new concepts
- We have a voice in the learning experience in our classroom

**We are engaged in our learning**
- Our class activities are connected to our lives and culture
- We use feedback about our work to improve our learning
- We participate in activities and discussions in a variety of ways

**We show what we know**
- We do our best on work and tests to show what we know
- We assess our own work and set goals for future learning
- We understand our progress through our teacher’s feedback

**We are each responsible for ourselves**
- We follow classroom and school routines and procedures
- We know the consequences of not following school rules
