Dear Parents/Guardians,

We would like to invite you to enroll your child(ren) in the Port Chester-Rye UFSD Universal Pre-Kindergarten program. Attached you will find the registration packet for the 2024-2025 school year.

All applications must be submitted in person at 18 Central Avenue in Port Chester, NY between the hours of 2:30 PM & 5:00 PM. Please note that you are required to bring your enrolling child(ren) when submitting your application. Need to make alternate arrangements for registration? Please contact Gloria Guerra, UPK Site Operations at 914-312-2744 to discuss.

You must bring with you the COMPLETED forms listed below as well as any copies of required documents:

- Housing Questionnaire Form (original, required, to be filled out at in-person registration)
- Birth Certificate or other proof of birth (copy, required)
- Photo ID of Parents/Guardians (copy, required)
- Health Certificate Appraisal Form [Completed by a Physician] (original, required)
- Most recent immunization record(s) (copy, required)
- Photography/Video OPT-OUT Form (original, required)
- Schools Based Health Center Form (original, optional)
- NYS Dental Health Certificate [Form D-2] (original, optional)
- Proof of Residency (copy, required) [examples below]:
  - Residential lease, mortgage, or deed
  - A statement from a landlord
  - A statement from a third party that establishes your presence in the Port Chester-Rye UFSD (e.g. police officer, clergy person, social worker, etc)

Please also submit a copy of at least one additional relevant evidence (examples below):

- Income tax form
- Pay stub
- Utility or other bills
- Membership documents based upon residency (e.g. library cards)
- Voter registration document(s)
- Other identification documents issued by federal, state, or local agencies (e.g. local social service agency, federal Office of Refugee Resettlement)
- Evidence of custody of the child(ren) in question, including but not limited to judicial custody or order or guardianship documentation

Registration will be handled in alphabetical order for the first week and must be done in person (see registration packet for full details).

**First week registration schedule:**
January 17, Registration opens for students whose last name begins with A - I
January 18, Registration opens for students whose last name begins with J - R
January 19, Registration opens for students whose last name begins with S - Z

After January 22, (and when the UPK is in session) registration is open to all eligible Port Chester residents between 2:30-5:00 pm at 18 Central Avenue in Port Chester, NY. The UPK calendar may be found to the left under 'Important Links' on the Port Chester School website (www.portchesterschools.org/district/upk). In addition prospective families may also call the UPK at 914-312-2744 to check hours.

Building placements are determined by a lottery and are thus not guaranteed, details are posted on our website (www.portchesterschools.org/district/upk) under 'Important Links'. Parents/Guardians will be notified of child placements in August once they have been determined.

Most importantly, we can't wait to meet your child(ren) and get the year started!

Warmly,

Mrs. Deirdre McDermott

Principal of Corpus Christi-Holy Rosary School
HOUSING QUESTIONNAIRE

Name of LEA: ________________________________

Name of School: ________________________________

Name of Student: ________________________________

Last  First  Middle

Gender: ☐ Male  ☐ Female  ☐ Non-binary

Date of Birth: _____ / _____ / _____

Grade: _____  ID#: _____

(preschool-12)  (optional)

Address: ________________________________

Phone: ________________________________

The answer you give below will help the district determine what services you or your child may be able to receive under the McKinney-Vento Act. Students who are protected under the McKinney-Vento Act are entitled to immediate enrollment in school even if they don’t have the documents normally needed, such as proof of residency, school records, immunization records, or birth certificate. Students who are protected under the McKinney-Vento Act may also be entitled to free transportation and other services.

Where is the student currently living? (Please check one box.)

☐ In a shelter
☐ With another family or other person because of loss of housing or as a result of economic hardship (sometimes referred to as “doubled-up”)
☐ In a hotel/motel
☐ In a car, park, bus, train, or campsite
☐ Other temporary living situation (Please describe): ________________________________

☐ In permanent housing

Print name of Parent, Guardian, or Student (for unaccompanied homeless youth)

Signature of Parent, Guardian, or Student (for unaccompanied homeless youth)

Date ________________________________

If ANY box other than “In Permanent Housing” is checked, then the student/family should be immediately referred to the MV Liaison. In such cases, proof of residency and other documents normally needed for enrollment are not required and the student is to be immediately enrolled. After the student has been enrolled, the district/school must contact the previous district/school attended to request the student’s educational records, including immunization records, and the enrolling district’s LEA liaison must help the student get any other necessary documents or immunizations.

NOTE TO SCHOOLS/LEAS: If the student is NOT living in permanent housing, please ensure that a Designation Form is completed.

Rev. 9-28-21
INSTRUCTIONS FOR COMPLETING THE HOUSING QUESTIONNAIRE

Purpose of the Housing Questionnaire

All Local Education Agencies (LEAs) are required to identify students experiencing homelessness. LEAs include school districts, charter schools and BOCES. Additionally, all LEAs that receive Title I funds must ask enrolling students about their housing status. The New York State Education Department (NYSED) encourages all LEAs regardless of whether they receive Title I funds to do the same. To collect this information, LEAs may

1. Use the Housing Questionnaire attached here,
2. Update/modify the Model Enrollment Form – Housing Questionnaire to address the needs of the LEA, or
3. Incorporate the housing status question from the Model Enrollment Form - Residency Questionnaire into the LEA’s Enrollment Form or other documents already used by the LEA during the enrollment process.

If an LEA elects the third option and incorporates the housing status question into the LEA’s Enrollment Form, the LEA should take steps to ensure that a student’s housing status does not become a part of the student’s permanent record, because of the sensitive nature of this information. Please see the section titled “Confidentiality” (below) for information about how and when housing information may be shared within the LEA.

Who should fill out the Housing Questionnaire?

A Housing Questionnaire should be filled out for all students enrolling in school and for all students who have a change of address in grades preschool-12. “Preschool” includes any LEA administered or funded preschool program, such as a Pre-K or Head Start program administered by an LEA. The Housing Questionnaire should be completed by the student’s parent, person in parental relation, or in the case of an unaccompanied youth, by the student directly.

Confidentiality

Student housing information should be kept confidential to the maximum extent possible. This information should only be shared with LEA/school staff members who need information about housing status to ensure that the student’s educational needs are met. To this end, LEAs may share a student’s Housing Questionnaire with LEA personnel such as:

1. the LEA liaison,
2. the registrar,
3. the student’s teachers, and/or guidance counselor, and
4. the LEA staff member responsible for reporting data to SED

However, this information should only be shared with the above staff members to the extent that it will enable them to better meet the educational needs of the student in question and to fulfill reporting requirements mandated by SED.

Other than the above uses, housing information should be kept confidential and should not be shared with other LEA/school personnel due to its sensitive nature and the stigma attached to being labeled homeless. LEAs are also encouraged to seek out ways of preventing Housing Questionnaires and housing information from becoming a part of a student’s permanent record.

Discussing the Housing Questionnaire with Students and Families

In reviewing the Housing Questionnaire with parents, persons in parental relation, and unaccompanied youth, LEAs should emphasize that the purpose of gathering the information is to ensure that students in temporary housing arrangements are provided with the rights and services to which they are entitled under the McKinney-Vento Act. These rights and services include:

1. The right to stay in the same school the student had been attending before losing his/her housing or the last school attended (both known as the school of origin),
2. The right to immediate enrollment for students who decide to transfer schools, even if the student does not have all of the documents normally for enrollment,
3. Transportation services if the student continues to attend the school of origin,
4. Categorical eligibility for Title I services if offered in the LEA,
5. Categorical eligibility for free meals if offered in the LEA, and
6. Access to services provided with McKinney-Vento funds if available in the LEA.

Rev. 9-28-21
The LEA should also ensure that the parent, person in parental relation, unaccompanied youth is aware that the student’s housing status will kept confidential and will only be shared with those LEA staff who are responsible for providing services to the student and those responsible for keeping track of how many students are identified as living in temporary housing in the LEA.

LEAs are advised to explain to parents that if a parent claims that her/her child is living in temporary housing, and the LEA wishes to conduct an investigation to verify this information, the LEA may conduct a home visit. However LEAs cannot contact a landlord or building superintendent to verify a student’s housing status without prior parental consent. Contacting a landlord or building superintendent without the parent’s express prior written permission is a violation of FERPA, a federal law.

**If the Parent, Person in Parental Relation, or Unaccompanied Youth Declines to Fill Out the Housing Questionnaire**

If the parent, person in parental relation, or unaccompanied youth declines to complete the Housing Questionnaire, the LEA should note on the form that the parent, person in parental relation, or unaccompanied youth declined to provide the information requested.

**Completing the Form**

If a parent, person in parental relation, or unaccompanied youth enrolling in school indicates that a student is living in one of the five temporary housing arrangements, the school may not require proof to verify where the student is living before enrolling the student. The five temporary housing arrangements are listed below:

1. In a shelter,
2. With another family or other person (sometimes referred to as “doubled-up”),
3. In a hotel/motel,
4. In a car, park, bus, train, or campsite, or
5. Other temporary living situation.

After the student is enrolled and attending classes, the school or LEA is permitted to verify the student’s housing arrangements. However, the student must first be enrolled in school. Again, LEAs cannot not contact a landlord or building superintendent to verify a student’s housing status. (See above for more information.)

**Definitions of Temporary Housing Arrangements**

*“With another family or other person” (also referred to as “doubled-up”)*

LEAs should be aware that students who are sharing the housing of others are eligible for services under the McKinney-Vento Act and State law, if sharing housing is due to loss of housing, economic hardship, or a similar reason.

*“Other temporary living situation”*

In addition to the four examples of temporary housing, students who lack a “fixed, adequate, and regular” nighttime residence are also covered as homeless under the McKinney-Vento Act and State law. This may include unaccompanied youth who have fled their homes or were forced to leave their homes and who do not otherwise meet the definition of “doubled-up.”

*“In permanent housing”*

Permanent housing means that the student’s living arrangements are “fixed, regular, and adequate.”

**Next Steps for LEAs with Students Living in Temporary Housing Arrangements**

If the parent, person in parental relation, or unaccompanied youth indicates that a student is living in temporary housing, the LEA must complete a Designation Form. If the LEA believes additional information is needed before reaching a final decision on the student’s eligibility under McKinney-Vento, enrollment should not be delayed and a Designation Form should still be filled out. For more information about determining eligibility see the National Center on Homeless Education’s Determining Eligibility Brief, available at: [http://nche.ed.gov/downloads/briefs/det_elig.pdf](http://nche.ed.gov/downloads/briefs/det_elig.pdf).

If a student who is identified as homeless was last permanently housed in a different school district, the district of attendance/local district will be eligible for tuition reimbursement from SED for the cost of educating the student. School districts should complete a STAC-202 form if eligible for tuition reimbursement. For more information about STAC-202 forms contact the STAC Office at 518-474-7116 or NYS-TEACHS at 800-388-2014.

2024-2025 School Year
New York State Immunization Requirements
for School Entrance/Attendance

Students presenting without documentation of receiving any, or an insufficient number of, immunizations or proof of immunity may be permitted a grace period to attend school for not more than 14 calendar days; which may be extended to not more than 30 calendar days for an individual student who is transferring from out of state or from another country and can show a good faith effort to get the necessary evidence of immunization. (10NYCRR 66-4)

Students wishing to enroll in the Open Door Family Medical Center School Based Health Center for the purposes of obtaining immunizations can enroll with the site provider. Enrollment forms are available upon request.

Please send proof of immunization to the school nurse where your child will be attending school.

Proof of immunization must be any 1 of the 3 items listed below.

- An immunization certificate signed by your health care provider
- Immunization Registry report (NYSIIS or CIR from NYC) from your health care provider or your county health department
- A blood test (titer) lab report that proves your child is immune to the diseases
  - For varicella (chickenpox), a note from your health care provider (MD, NP, PA) which says your child had the disease is also acceptable.

If you have any questions or concerns about immunizations, please contact the school health office. Thank you.

Sincerely,

School Nurse
2023-24 School Year
New York State Immunization Requirements
for School Entrance/Attendance

NOTES:
All children must be age-appropriately immunized to attend school in NYS. The number of doses depends on the schedule recommended by the Advisory Committee on Immunization Practices (ACIP). Intervals between doses of vaccine must be in accordance with the "ACIP Recommended Child and Adolescent Immunization Schedule." Doses received before the minimum age or intervals are not valid and do not count toward the number of doses listed below. See footnotes for specific information for each vaccine. Children who are enrolling in grade-less classes must meet the immunization requirements of the grades for which they are age equivalent.

Dose requirements MUST be read with the footnotes of this schedule

\(^1\) See footnotes for specific information
\(^2\) Doses must be received before the minimum age
\(^3\) See footnotes for specific information
\(^4\) Doses must be received before the minimum age
\(^5\) Doses must be received before the minimum age
\(^6\) Doses must be received before the minimum age
\(^7\) Doses must be received before the minimum age
\(^8\) Doses must be received before the minimum age
\(^9\) Doses must be received before the minimum age
1. Demonstrated serologic evidence of measles, mumps, or rubella antibodies or laboratory confirmation of these diseases is acceptable proof of immunity to these diseases. Serologic tests for polio are acceptable proof of immunity only if the test was performed before September 1, 2019, and all three serotypes were positive. A positive blood test for hepatitis B surface antibody is acceptable proof of immunity to hepatitis B. Demonstrated serologic evidence of varicella antibodies, laboratory confirmation of varicella disease or diagnosis by a physician, physician assistant or nurse practitioner that a child has had varicella disease is acceptable proof of immunity to varicella.

2. Diphtheria and tetanus toxoids and acellular pertussis (DTaP) vaccine. (Minimum age: 6 weeks)
   a. Children starting the series on time should receive a 5-dose series of DTaP vaccine at 2 months, 4 months, 6 months and at 15 through 18 months and at 4 years or older. The fourth dose may be received as early as age 12 months, provided at least 6 months have elapsed since the third dose. However, the fourth dose of DTaP need not be repeated if it was administered at least 4 months after the third dose of DTaP. The final dose in the series must be received on or after the fourth birthday and at least 6 months after the previous dose.
   b. If the fourth dose of DTaP was administered at 4 years or older, and at least 6 months after dose 3, the fifth booster dose of DTaP vaccine is not required.
   c. Children 7 years and older who are not fully immunized with the childhood DTaP vaccine series should receive Td booster vaccine as the first dose in the catch-up series, if additional doses are needed, use Td or Tdap vaccine. If the first dose of Tdap was received before their first birthday, then 4 doses are required, as long as the final dose was received at 4 years or older. If the first dose was received on or after the first birthday, then 3 doses are required, as long as the final dose was received at 4 years or older.

3. Tetanus and diphtheria toxoids and acellular pertussis (Tdap) adolescent booster vaccine. (Minimum age: grades 6 through 9; 10 years; minimum age for grades 10, 11, and 12: 7 years)
   a. Students 11 years or older entering grades 6 through 12 are required to receive one dose of Tdap.
   b. In addition to the grade 6 through 12 requirement, Tdap may also be given as part of the catch-up series for students 7 years of age and older who are not fully immunized with the childhood DTaP series, as described above. In school year 2023-2024, only doses of Tdap given at age 10 years or older will satisfy the Tdap requirements for students in grades 6 through 9; however, doses of Tdap given at age 7 through 9 years or older will still satisfy the requirement for students in grades 10, 11, and 12.
   c. Students who are 10 years old in grade 6 and who have not yet received a Tdap vaccine are in compliance until they turn 11 years old.

4. Inactivated polio vaccine (IPV) or oral polio vaccine (OPV). (Minimum age: 6 weeks)
   a. Children starting the series on time should receive a series of IPV at 2 months, 4 months, 6 months and at 15 through 18 months, and at 4 years or older. The final dose in the series must be received on or after the fourth birthday and at least 6 months after the previous dose.
   b. For children who received their fourth dose before age 4 and prior to August 1, 2010, 4 doses separated by at least 4 weeks is sufficient.
   c. If the third dose of polio vaccine was received at 4 years or older and at least 6 months after the previous dose, the fourth dose of polio vaccine is not required.
   d. For children with a record of OPV, only relevant OPV (TOPV) counts toward NYS school polio requirement doses. Doses of OPV given before April 1, 2016, should be counted unless specifically noted as monovalent, bivalent or as given during a poliovirus immunization campaign. Doses of OPV given on or after April 1, 2016, must not be counted.

5. Measles, mumps, and rubella (MMR) vaccine. (Minimum age: 12 months)
   a. The first dose of MMR vaccine must have been received on or after the first birthday. The second dose must be received on or after 28 days (4 weeks) after the first dose to be considered valid.
   b. Measles: One dose is required for prekindergarten. Two doses are required for grades kindergarten through 12.
   c. Mumps: One dose is required for prekindergarten. Two doses are required for grades kindergarten through 12.
   d. Rubella: At least one dose is required for all grades (prekindergarten through 12).

6. Hepatitis B vaccine
   a. Dose 1 may be given at birth or anywhere thereafter. Dose 2 must be given at least 4 weeks (28 days) after dose 1. Dose 3 must be given at least 28 weeks after dose 2 AND at least 16 weeks after dose 1 AND no earlier than age 24 weeks (when 4 doses are given, substitute "dose 4" for "dose 3" in these calculations).
   b. Two doses of adult hepatitis B vaccine (Recombivax) received at least 4 months apart at age 11 through 15 years will meet the requirement.

7. Varicella (chickenpox) vaccine. (Minimum age: 12 months)
   a. The first dose of varicella vaccine must have been received on or after the first birthday. The second dose must have been received at least 28 days (4 weeks) after the first dose to be considered valid.
   b. For children younger than 13 years, the recommended minimum interval between doses is 3 months if the second dose was administered at least 4 weeks after the first dose. It can be accepted as valid for persons 13 years and older, the minimum interval between doses is 4 weeks.

8. Meningooccal conjugate ACWY vaccine (MenACWY). (Minimum age for grades 7 through 10: 10 years; minimum age for grades 11 and 12: 6 weeks)
   a. One dose of meningococcal conjugate vaccine (Menactra, Menveo or MenQuadrix) is required for students entering grades 7, 8, 9, 10 and 11.
   b. For students in grade 12, if the first dose of meningococcal conjugate vaccine was received at 16 years or older, the second (booster) dose is not required.
   c. The second dose must have been received at 16 years or older. The minimum interval between doses is 8 weeks.

9. Haemophilus influenzae type b (Hib) conjugate vaccine. (Minimum age: 6 weeks)
   a. Children starting the series on time should receive Hib vaccine at 2 months, 4 months, 6 months and at 12 through 15 months. Children older than 15 months must get caught up according to the ACIP catch-up schedule. The final dose must be received on or after 12 months.
   b. If 2 doses of vaccine were received before age 12 months, only 3 doses are required with dose 3 at 12 through 15 months and at least 8 weeks after dose 2.
   c. If dose 1 was received at age 12 through 14 months, only 2 doses are required with dose 2 at least 8 weeks after dose 1.
   d. If dose 1 was received at 15 months or older, only 1 dose is required.
   e. Hib vaccine is not required for children 5 years or older.
   f. For further information, refer to the CDC Catch-Up Guidance for Healthy Children 4 Months through 4 Years of Age.

10. Pneumococcal conjugate vaccine (PCV). (Minimum age: 6 weeks)
   a. Children starting the series on time should receive PCV vaccine at 2 months, 4 months, 6 months and at 12 through 15 months. Children older than 15 months must get caught up according to the ACIP catch-up schedule. The final dose must be received on or after 12 months.
   b. Unvaccinated children ages 7 through 11 months are required to receive 2 doses, at least 4 weeks apart, followed by a third dose at 12 through 15 months.
   c. Unvaccinated children ages 12 through 23 months are required to receive 2 doses of vaccine at least 8 weeks apart.
   d. If one dose of vaccine was received at 24 months or older, no further doses are required.
   e. PCV is not required for children 5 years or older.
   f. For further information, refer to the CDC Catch Up Guidance for Healthy Children 4 Months through 4 Years of Age.

05/23
PARENTS: NYS School Vaccination Requirements Have Changed

Nonmedical exemptions to school vaccination requirements have ended for children attending day care and pre-K through 12th grade in New York State. This includes all public, private, and religious schools. Religious exemptions are no longer allowed.

Children with nonmedical exemptions must now be vaccinated to attend or remain in school.

Students who already have all required school vaccinations, and students with a valid medical exemption from a physician, are not affected by this change.

**IMPORTANT VACCINATION DEADLINES:**

- Within 14 days of the first day of school or day care — children must receive the first age-appropriate dose in each immunization series to attend or remain in school or day care.

- Within 30 days after the first day of school or day care — parents or guardians must show that they have appointments for the next required follow-up doses for their child. Deadlines for follow-up doses depend on the vaccine.

What vaccines does my child need?
Talk to your health care provider. Requirements will differ based on your child's age and any previous vaccinations.

Is it safe for my child to have more than one shot at a time?
Scientific data show that getting multiple vaccines at the same time is safe. It also means fewer doctor's office visits which can be less stressful for your child. Visit health.ny.gov/vaccinesafety to learn more.

Tips to help your child relax at their next shot visit:
www.cdc.gov/vaccines/parents/visit/less-stressful.html

PHOTOGRAPHY/VIDEO OPT-OUT FORM

(Complete and return this form ONLY IF YOU DO NOT GIVE PERMISSION for your student to appear in school publicity images, yearbooks or videos, including postings on the school or district websites and social media.)

There are many activities and accomplishments that take place in our schools which the Port Chester-Rye Union Free School District feels are positive, newsworthy and of interest to the community. District representatives and program partners will, from time to time, use still photography or videography for the purpose of highlighting student achievements or chronicling classroom/school activities. Those images may be used in informational newsletters, school brochures, class pictures, yearbooks and other printed material published by the Port Chester-Rye Union Free School District and those acting under its permission. It is possible that those images might be used on school and/or district websites, social media accounts affiliated with the district and may also be submitted to the news media for possible publication.

If, for any reason, you do not want your child's likeness to be used by the Port Chester-Rye Union Free School District or by the news media for the purpose of positive publicity about school activities or student achievement, please fill out this form and return to your school office. A separate form is required for each child.

This form only applies to the current school year and to classroom activities or school events that are not already open to the public.

☐ I do NOT wish to have my child photographed/videotaped for news media or school publicity purposes.

Student's full name (please print)

School ___________________________ Grade Universal Prekindergarten

Parent or guardian's name ___________________________

Parents or guardian's signature ___________________________ date

Open Door Port Chester-Rye UFSD School Based Health Center Consent Form

Student Name: ___________________________ Date of Birth: ___________________________

Address: ___________________________ Zip Code: ___________________________

I give consent for my son/daughter to receive services at the Port Chester UFSD School Based Health Center. I authorize a provider or designated health professional to provide health services as follows.

- Routine physical exams
- Diagnosis and treatment of acute and chronic illness
- Treatment of minor injuries
- Vision and hearing screenings
- Immunizations
- Health education, counseling, and wellness promotion
- Nutrition education and weight management
- Preventative dental care (including screenings and treatment)
- Sports physicals
- Prescription medications
- Age appropriate reproductive health services, e.g., abstinence/family planning counseling, education, exams, pregnancy and STD testing, and referrals
- Mental Health/Behavioral Health
- Referral for health care services which cannot be provided at the School Based Health Center.

I give permission for necessary medical tests, evaluations, and management of my child's medical care.

I consent to the exchange of health history between the school nurse, child's doctor, counselor, social worker at FSW or Guidance Center and any other medical professional that may be necessary for the health of my child. The student's health center record is electronic and will be maintained as a confidential medical record; it is not a school record. I also understand confidentiality will be observed between school staff and the student's using the Center.

I further authorize Open Door Family Medical Centers to release information regarding treatment to third party payers or other for purposes of billing and for any reason that may be required to comply with statutes or regulations in accordance with accepted medical practices.

I have read the above information and have had the opportunity to have any of my questions answered. I understand that this consent form will remain in effect as long as my child is enrolled in the Port Chester-Rye UFSD, unless I notify the Health Center in writing. I understand that I may revoke my consent at any time.

I also understand that this form will automatically expire when the student named above is no longer enrolled in an elementary school served by SBHC program.

Choose one:
A. I would like the SBHC to be my child's regular doctor (physical exams, sick visits, etc.) □ Yes
B. I have a regular doctor for my child and would like to use the SBHC for sick visits and other care, as needed □ Yes
   The name of my child's regular doctor is: ___________________________
   □ Yes □ No
I would like the SBHC to share medical records with my child's regular doctor ___________________________

School: ___________________________ Does your child have health insurance? □ Yes □ No
Grade: ___________________________ if yes—name of insurance company: ___________________________
# NYS Dental Health Certificate (Form D-2)

Parent/Guardian: New York State law (Chapter 281) permits schools to request a dental examination in the following grades: school entry, K, 2, 4, 7, & 10. Your child may have a dental check-up during this school year to assess his/her fitness to attend school. Please complete Section 1 and take the form to your dentist for an assessment. If your child had a dental check-up before he/she started the school, ask your dentist to fill out Section 2. Return the completed form to the school's medical director or school nurse as soon as possible.

## Section 1 ~ To be completed by Parent or Guardian (Please Print)

<table>
<thead>
<tr>
<th>Child’s Name:</th>
<th>Last</th>
<th>First</th>
<th>Middle</th>
</tr>
</thead>
<tbody>
<tr>
<td>Birth Date</td>
<td></td>
<td>Sex:</td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
<td>□ Male □ Female</td>
<td></td>
</tr>
<tr>
<td>Will this be your child’s first visit to a dentist?</td>
<td>□ Yes □ No</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>School Name:</th>
<th>Grade:</th>
</tr>
</thead>
</table>

Have you noticed any problem in the mouth that interferes with your child’s ability to chew, speak or focus on school activities? □ Yes □ No

I understand that by signing this form I am consenting for the child named above to receive a basic oral health assessment. I understand this assessment is only a limited means of evaluation to assess the student’s dental health, and I would need to secure the services of a dentist in order for my child to receive a complete dental examination with x-rays if necessary to maintain good oral health.

I also understand that receiving this preliminary oral health assessment does not establish any new, ongoing or continuing doctor-patient relationship. Further, I will not hold the dentist or those performing this assessment responsible for the consequences or results should I choose NOT to follow the recommendations listed below.

Parent’s Signature __________________________ Date ________

## Section 2 ~ To be completed by the Dentist

I. The Dental Health condition of ___________________________ on ____________ (date of exam) The date of the exam needs to be within 12 months of the start of the school year in which it is requested. Check one:

- [ ] Yes, The student listed above is in fit condition of dental health to permit his/her attendance at the public schools.
- [ ] No, The student listed above is not in fit condition of dental health to permit his/her attendance at the public schools.

NOTE: Not in fit condition of dental health means that a condition exists that interferes with a student's ability to chew, speak or focus on school activities including pain, swelling or infection related to clinical evidence of open cavities. The designation of not in fit condition of dental health to permit attendance at the public school does not preclude the student from attending school.

<th>Dentist’s Signature</th>
</tr>
</thead>
</table>

**Optional Sections** - If you agree to release this information to your child’s school, please initial here.

**Oral Health Status (check all that apply).**

- [ ] Yes □ No Caries Experience/Restoration History – Has the child ever had a cavity (treated or untreated)? [A filling (temporary/permanent) OR a tooth that is missing because it was extracted as a result of caries OR an open cavity].
- [ ] Yes □ No Untreated Caries – Does this child have an open cavity? [At least 3/6 mm of tooth structure loss at the enamel surface, Brown to dark-brown coloration of the walls of the lesion. These criteria apply to pits and fissure cavitated lesions as well as those on smooth tooth surfaces.
  If retained root, assume that the whole tooth was destroyed by caries. Broken or chipped teeth, plus teeth with temporary fillings, are considered sound unless a cavitated lesion is also present].
- [ ] Yes □ No Dental Sealants Present

**Other problems (Specify):**

III. Treatment Needs (check all that apply)

- [ ] No obvious problem. Routine dental care is recommended. Visit your dentist regularly.
- [ ] May need dental care. Please schedule an appointment with your dentist as soon as possible for an evaluation.
- [ ] Immediate dental care is required. Please schedule an appointment immediately with your dentist to avoid problems.
